Thanks [redacted] As for deadlines, you should apply whatever deadlines you typically use. I realize, of course, that I sent it to you on the day before the government was closed for almost a week.

These chapters are also just part of a much larger manuscript and the review is quite complicated for a number of reasons. The authors are anxious to get the review completed, but they also realize that, given the complexity, any hope of completing the review within our 30 day window is just not practical.

I've received Chapters 2 and 19. The chapters are currently under review. Is there any kind of deadline?
